# **Safety Instruction Guide for PISTOL CARBIDE 3 DIE SETS LEE PRECISION .45 S&W SCHOFIELD FULL LENGTH SIZING CARBIDE 3DIE SET**

## **Introduction**

Thank you for choosing the PISTOL CARBIDE 3 DIE SETS LEE PRECISION .45 S&W SCHOFIELD FULL LENGTH SIZING CARBIDE 3DIE SET. This product is designed to assist you in reloading ammunition safely and efficiently. Please read this safety instruction guide thoroughly to ensure proper use and to minimize risks associated with the product.

## **General Safety Guidelines**

- Always read and understand all instructions before using this product.
- Ensure that you are in a safe and suitable environment to reload ammunition.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and components.
- Ensure that your workspace is clean and free of obstructions.
- Do not use the dies if they show signs of damage or wear.
- Handle all components, including powder and primers, with care.
- Store all reloading components in a cool, dry place away from heat sources.
- Follow all manufacturer instructions regarding the use of components and equipment.

## **Instructions for Installation and Usage**

### **1. Setup:**

- Ensure that your reloading press is securely mounted.
- Identify the components of the die set: Carbide Full Length Sizing Die, Bullet Seating Die, Powder Thru Expanding Die, Shell Holder, Powder Dipper, and Instructions/Load Data.

### **2. Installation:**

- Install the Carbide Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Follow the same procedure for the Bullet Seating Die and Powder Thru Expanding Die.

### **3. Usage:**

- Begin with the Carbide Full Length Sizing Die to size your brass cases.
- Use the Powder Thru Expanding Die to expand the case mouth for bullet seating.
- Finally, use the Bullet Seating Die to seat the bullet to the desired depth.

#### 4. PostUse:

- Clean the dies after use to maintain their effectiveness and longevity.
- Store the dies in a safe place, ensuring they are protected from damage.

## Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of any hazardous materials, such as primers or powder, in regular trash. Consult local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the contact information provided on the packaging or included documentation.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the PISTOL CARBIDE 3 DIE SETS LEE PRECISION .45 S&W SCHOFIELD FULL LENGTH SIZING CARBIDE 3DIE SET responsibly.
