# Safety Instruction Guide for BREECH LOCK PISTOL CARBIDE 4DIE SETS LEE PRECISION .380 AUTO

## Introduction

Thank you for purchasing the BREECH LOCK PISTOL CARBIDE 4DIE SETS from Lee Precision. This guide provides essential safety instructions to ensure the safe and effective use of your reloading equipment. Please read this guide thoroughly before use.

## General Safety Guidelines

- Always handle reloading equipment with care and respect, as improper use can lead to accidents.
- Keep all reloading materials, including powder and primers, out of reach of children and unauthorized persons.
- Use the product only for its intended purpose as described in this manual.
- Ensure you are in a wellventilated area when reloading ammunition.
- Familiarize yourself with all safety warnings and instructions provided by the manufacturer.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury from sharp edges or moving parts.
  - Risk of explosion or fire if improper materials are used.
  - Risk of exposure to hazardous materials such as lead.
- **Avoiding Hazards:**
  - Always wear safety goggles and protective gloves when reloading.
  - Do not exceed recommended load data provided in the instructions.
  - Ensure that your work area is clean and free from clutter.
  - Store all reloading components in a cool, dry place away from heat sources.
- **Age Restrictions:**
  - This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the dies to your reloading press according to the manufacturer's instructions.
- Use the colorcoded Smart Lock bushings to easily interchange dies.
- Ensure that the Universal Shell Holder is properly installed before use.

### 2. Usage:

- Follow the provided load data for recommended powder charges and bullet types.
- Always doublecheck the die settings before starting the reloading process.
- Use the Powder Thru Expanding Die to ensure proper case expansion.
- After seating bullets, use the Factory Crimp Die to secure the bullet in place.
- Regularly inspect all equipment for wear or damage before each use.

## Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not throw away hazardous materials in regular trash. Check with local authorities for proper disposal methods.

- Recycle any packaging materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with the product packaging. It is essential to have a point of contact for any safety concerns or product issues.

By following these guidelines, you can ensure a safe and effective reloading experience with your BREECH LOCK PISTOL CARBIDE 4DIE SETS. Always prioritize safety and consult this guide whenever you have questions or concerns.
