Safety Instruction Guide for BREECH LOCK PISTOL CARBIDE 4DIE SETS LEE PRECISION .45 COLT

Introduction

Thank you for choosing the BREECH LOCK PISTOL CARBIDE 4DIE SETS from LEE PRECISION. This product is designed to provide you with the tools necessary for reloading .45 Colt cartridges safely and efficiently. This guide contains important safety information to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Store the die set in a dry, cool place, away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the dies for any damage or wear before each use.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Ensure your workspace is wellventilated and free from clutter.
- Never leave the reloading process unattended.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Handle all reloading components with care to avoid accidents.
- Do not exceed the recommended load data provided with the die set.
- Always use the appropriate shell holder for your cartridge.
- Avoid using damaged or worn components; replace them immediately.
- Follow the instructions for each die carefully to avoid misfires or other malfunctions.
- Be aware of the potential hazards associated with powder and primers, including flammability and toxicity.
- Ensure that all equipment is properly calibrated and functioning before use.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure your workspace is clean and free from distractions.
2. **Gather Materials:** Collect all necessary components, including the die set, shell holder, and reloading materials.
3. **Install the Dies:**
 - Secure the Carbide Full Length Sizing Die in your reloading press.
 - Install the Bullet Seating Die and Powder Thru Expanding Die as per the provided instructions.
 - Attach the Factory Crimp Die last.
4. **Check Alignment:** Ensure that all dies are properly aligned and securely fastened.

Usage

1. **Sizing:** Begin with the Carbide Full Length Sizing Die to resize your brass cases.
2. **Expanding:** Use the Powder Thru Expanding Die to expand the case mouth for bullet seating.
3. **Seating:** Insert the bullet into the case and use the Bullet Seating Die to seat it to the desired depth.
4. **Crimping:** Finally, apply a crimp using the Factory Crimp Die to secure the bullet in place.
5. **Final Inspection:** Inspect each completed cartridge for proper seating and crimping.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away reloading materials in regular trash. Check for local hazardous waste disposal guidelines for proper disposal of powder and primers.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the use of the BREECH LOCK PISTOL CARBIDE 4DIE SET, please contact the manufacturer or your local dealer for assistance. Always keep the product manual and safety guidelines for future reference.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your BREECH LOCK PISTOL CARBIDE 4DIE SETS from LEE PRECISION. Thank you for prioritizing safety and compliance with EU regulations.
