Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 6.5 GRENDEL QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before use to familiarize yourself with the safety precautions and operational procedures.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always follow the manufacturer's instructions and guidelines when using the product.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the Quick Trim Die.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Avoid using the Quick Trim Die if you are tired, under the influence of drugs or alcohol, or if you are not fully focused.
- Do not modify the Quick Trim Die in any way, as this may compromise safety and effectiveness.
- Follow all instructions regarding the proper assembly and disassembly of the Quick Trim Die.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Lee Deluxe or Lee Value Trim Case Trimmer is clean and in good working condition.
- Attach the Quick Trim Die securely to the trimmer according to the manufacturer's instructions.
- Verify that all connections are tight and that there are no loose parts before proceeding.

2. Usage:

- Prepare your 6.5 Grendel cases by ensuring they are clean and free from any obstructions.
- Insert the case into the Quick Trim Die, making sure it is seated properly.
- Operate the trimmer according to the manufacturer's guidelines, ensuring that you do not exceed the recommended trimming time.
- After trimming, carefully remove the case from the Quick Trim Die and inspect it for any defects.

Disposal Instructions

- Dispose of any damaged or worn parts of the Quick Trim Die in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or hazardous waste facility if necessary.
- Ensure that all packaging materials are disposed of responsibly and in accordance with local recycling guidelines.

Contact Information for Further Support

For any inquiries or further assistance regarding the Quick Trim Die, please refer to the manufacturer's official website or contact their customer support service.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience!
