Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION .40 SMITH & WESSON QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This product is designed for use with the Lee Deluxe and Lee Value Trim Case Trimmers. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the working area is clean, dry, and welllit.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling tools and materials.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the Quick Trim Dies in any way.
- Ensure that the die is securely attached to the trimmer before use.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Keep hands and other body parts clear of the trimming area during operation.
- Use the product only for its intended purpose; misuse can lead to injury or damage.
- If you experience any difficulty while using the product, stop immediately and consult the instructions or contact support.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Lee Deluxe or Lee Value Trim Case Trimmer is on a stable surface.
- Attach the Quick Trim Die to the trimmer according to the manufacturer's instructions.
- Confirm that the die is securely fastened and properly aligned before proceeding.

2. Usage:

- Select the appropriate case to be trimmed.
- Insert the case into the trimmer with the die in place.
- Operate the trimmer according to the manufacturer's guidelines, applying steady pressure.
- After trimming, remove the case and inspect it for any defects.
- Clean the die and trimmer after each use to maintain performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product has reached the end of its life, dispose of it responsibly. Check with local waste management authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any inquiries or further assistance regarding the Lee Quick Trim Dies, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Lee Quick Trim Dies. Thank you for prioritizing safety in your reloading activities.
