# Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 7MM08 REMINGTON QUICK TRIM DIE

## Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Quick Trim Die.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Quick Trim Die out of reach of children and pets.
- Inspect the product for any damage or wear before each use. Do not use if damaged.
- Use the Quick Trim Die only with compatible Lee Deluxe and Lee Value Trim Case Trimmers.
- Be aware of your surroundings and work in a welllit area to avoid accidents.
- Store the product in a dry and safe place when not in use.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment, including safety glasses and gloves, to protect against potential hazards.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.
- Do not force the Quick Trim Die onto the trimmer; it should fit securely without excessive force.
- Keep hands and other body parts away from moving parts during operation.
- Ensure that the trimmer is securely mounted and stable before using the Quick Trim Die.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of the product manual.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Lee Deluxe or Lee Value Trim Case Trimmer is properly set up and functioning.
- Align the Quick Trim Die with the trimmer's spindle and gently press it into place until it is securely fitted.
- Confirm that the die is firmly attached and does not wobble.

### 2. Usage:

- Select the appropriate cartridge (7 mm 08 Remington) for trimming.
- Insert the case into the holder of the trimmer.
- Activate the trimmer according to the manufacturer's instructions, ensuring that the Quick Trim Die is engaged properly.
- Monitor the trimming process closely, ensuring that no obstructions or issues arise.
- Once trimming is complete, remove the case from the holder carefully.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the Quick Trim Die is no longer usable, dispose of it in accordance with local regulations for metal and plastic waste.
- Do not throw the product into regular household waste; check for designated disposal facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Lee Quick Trim Die, please refer to the manufacturer's contact information provided with the product packaging. It is important to have access to support in case of safety concerns or product issues.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your Lee Quick Trim Dies. Regularly review safety guidelines and stay informed about any product recalls or safety alerts through the EU Safety Gate system. Thank you for prioritizing safety while using our product.
