Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 8.6 BLACKOUT QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies, designed for use with the Lee Deluxe and Lee Value Trim Case Trimmers. Your safety is our priority. This guide provides essential safety instructions and information to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the Quick Trim Die before use for any signs of damage or wear.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** Only use the Quick Trim Die with the specified 8.6 Blackout cartridge.
- **Protective Gear:** Wear suitable protective gear, including safety glasses and gloves, while handling the die.
- **Work Area:** Ensure that your work area is clean, welllit, and free from distractions.
- **Handling:** Handle the Quick Trim Die carefully to avoid injury. Do not use excessive force during operation.
- **Maintenance:** Regularly clean and maintain the die to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the trimmer is unplugged before installation.
- Locate the mounting area on your Lee Deluxe or Lee Value Trim Case Trimmer.
- Align the Quick Trim Die with the mounting area.
- Secure the die in place according to the manufacturer's instructions.

2. Usage:

- Insert the appropriate cartridge (8.6 Blackout) into the die.
- Adjust the trimmer settings as necessary for your specific trimming needs.
- Begin trimming by following the operational guidelines provided with your trimmer.
- Monitor the trimming process closely to ensure safety and accuracy.

Disposal Instructions

- Dispose of the Quick Trim Die in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- If the die is damaged or no longer usable, check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or safety concerns regarding the Lee Quick Trim Dies, please refer to the product packaging or visit the official website for additional support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Lee Quick Trim Die.
