# Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 7MM PRC LIMITED PRODUCTION QUICK TRIM DIE

## Introduction

Thank you for choosing the Lee Quick Trim Dies for your trimming needs. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the Quick Trim Die to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always follow the manufacturer's instructions for setup and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify the product in any way, as this may compromise safety.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when operating the Quick Trim Die.
- Ensure that the area where you are working is clean and free from distractions.
- Use the Quick Trim Die only with compatible case trimmers, specifically the Lee Deluxe and Lee Value Trim Case Trimmers.
- Do not exceed the recommended cartridge specifications (7mm PRC) for safe operation.
- Be cautious of sharp edges and moving parts during operation to prevent cuts or injuries.
- Ensure that the Quick Trim Die is securely attached to the case trimmer before use.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the Quick Trim Die and inspect it for any damage.
- Follow the instructions for your specific Lee case trimmer model to attach the Quick Trim Die securely.
- Ensure that all components are properly aligned and tightened.

### 2. Usage:

- Insert the cartridge (7mm PRC) into the case trimmer as per the manufacturer's guidelines.
- Operate the trimmer according to the instructions provided with your case trimmer.
- Monitor the trimming process closely to ensure that everything is functioning correctly.
- If you notice any unusual sounds or movements, stop using the product immediately.

## Disposal Instructions

- Dispose of the Quick Trim Die in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling components where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Quick Trim Die, please refer to the manufacturer's contact information provided with the product or on their official website.

By following these safety instructions, you can ensure a safe and effective experience while using the Lee Quick Trim Dies. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important safety guidelines.
