QUICK TRIM DIE Safety Instruction Guide

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Quick Trim Die to avoid any potential hazards.

General Safety Guidelines

- Always ensure that the Quick Trim Die is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Quick Trim Die for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the die.
- Store the Quick Trim Die in a cool, dry place when not in use to prevent corrosion and damage.
- Do not attempt to modify or repair the die; contact a qualified professional if repairs are needed.

Specific Safety Precautions for Use

- Ensure that the die is only used with the compatible Lee Deluxe and Lee Value Trim Case Trimmers.
- Always follow the recommended procedures for trimming cases to avoid injury or equipment damage.
- Avoid placing hands or fingers near the moving parts of the trimmer while in operation.
- Do not exceed the specified cartridge size (400 Legend) for this die.
- If you experience any unusual noise or resistance during use, stop immediately and inspect the die for any issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the Lee Deluxe or Lee Value Trim Case Trimmer is securely mounted on a stable surface.
- Remove the Quick Trim Die from its packaging.
- Insert the Quick Trim Die into the trimmer according to the manufacturer's instructions.
- Tighten any screws or clamps to ensure the die is securely held in place.

2. Usage:

- Prepare the cases you wish to trim by ensuring they are clean and free of debris.
- Insert a case into the trimmer, ensuring it is properly aligned with the Quick Trim Die.
- Activate the trimmer according to the manufacturer's instructions, applying steady pressure.
- Once the trimming is complete, remove the case carefully.
- Inspect the trimmed case to ensure it meets your specifications.

Disposal Instructions

- Dispose of any damaged or worn Quick Trim Dies in accordance with local regulations.
- Do not dispose of the Quick Trim Die in general waste if it contains hazardous materials.
- Consider recycling options where applicable to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Quick Trim Die, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience while using the Lee Quick Trim Dies. Always stay informed about product recalls and safety updates through official channels to ensure ongoing safety in your reloading practices. Thank you for your attention to these important safety instructions.
