QUICK TRIM DIES LEE PRECISION .300 PRC QUICK TRIM DIE Safety Instructions

Introduction

Thank you for purchasing the Lee Quick Trim Dies for the .300 PRC cartridge. This product is designed to work with the Lee Deluxe and Lee Value Trim Case Trimmers, ensuring precision and ease of use for your reloading needs. To ensure your safety and the proper functioning of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the entire instruction manual before using the product.
- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the Quick Trim Dies only with compatible Lee Case Trimmers.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Ensure that the work area is clean, dry, and welllit to avoid accidents.
- Do not exceed the manufacturer's recommended specifications for cartridge trimming.
- Avoid placing fingers near moving parts during operation to prevent injury.
- If you experience any difficulty while using the product, stop and consult the instruction manual or seek assistance.

Instructions for Installation and Usage

1. Installation of the Quick Trim Die:

- Ensure the Lee Case Trimmer is securely mounted and stable.
- Carefully screw the Quick Trim Die into the case trimmer according to the manufacturer's instructions.
- Adjust the die to the desired trimming length as specified in the instruction manual.

2. Using the Quick Trim Die:

- Insert the cartridge case into the case trimmer.
- Engage the trimmer to begin the trimming process.
- Monitor the trimming process to ensure consistent results.
- Once trimming is complete, remove the cartridge case from the trimmer.

3. PostUse Maintenance:

- Clean the Quick Trim Die and case trimmer after each use to remove any debris or residue.
- Store the Quick Trim Die in a dry, safe place away from children.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer usable, dispose of it responsibly. Check with local waste management authorities for proper disposal methods.
- Recycle any components that are recyclable according to local guidelines.

Contact Information for Further Support

For any questions or further support regarding the Quick Trim Dies, please consult the manufacturer's website or contact the designated support line. Always ensure that you have the product information and any relevant details at hand when seeking assistance.

Thank you for prioritizing safety while using the Lee Quick Trim Dies. Your adherence to these guidelines helps ensure a safe and efficient reloading experience.
