Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 10MM AUTO QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is trimming cases for the 10mm Auto cartridge.
- Always wear appropriate safety gear, including eye protection, when using trimming tools.
- Keep the work area clean and organized to prevent accidents.
- Store the Quick Trim Dies in a secure location, out of reach of children and pets.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Familiarize yourself with the product and its components before use.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the 10mm Auto cartridge.
- Avoid wearing loose clothing or jewelry that could become caught in the trimming mechanism.
- Ensure that the trimming tool is securely fastened and stable before operation.
- Do not attempt to modify or alter the Quick Trim Dies in any way.
- Keep hands and other body parts clear of the trimming area while in use.
- If you experience any discomfort or unusual operation during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the trimming tool is disconnected from any power source before installation.
- Follow the manufacturer's instructions for attaching the Quick Trim Dies to the Lee Deluxe or Lee Value Trim Case Trimmer.
- Confirm that the dies are properly aligned and secured before use.

2. Usage:

- Load the 10mm Auto cartridge case into the trimmer.
- Adjust the trimmer settings according to the manufacturer's guidelines.
- Operate the trimmer according to the instructions provided, ensuring that all safety precautions are followed.
- After trimming, carefully remove the cartridge case from the trimmer.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Quick Trim Dies are no longer usable, follow your local guidelines for the disposal of metal products.
- Do not dispose of the product in household waste if it is deemed hazardous. Check local regulations for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Lee Quick Trim Dies, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and effective reloading experience with your Lee Quick Trim Dies.
