# Safety Instructions for QUICK TRIM DIES LEE PRECISION .277 SIG FURY QUICK TRIM DIE

## Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this document thoroughly before using the Lee Quick Trim Die for the .277 Sig Fury cartridge.

## General Safety Guidelines

- Always follow the manufacturer's instructions for the use of the Lee Quick Trim Die.
- Ensure that the work area is clean, welllit, and free from any distractions.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Be aware of your surroundings and ensure that no one is in close proximity when using the die.
- Regularly inspect the die for any signs of wear or damage. Do not use if damaged.

## Specific Safety Precautions for Use

- Only use the Lee Quick Trim Die with the Lee Deluxe and Lee Value Trim Case Trimmers.
- Ensure that the die is compatible with the .277 Sig Fury cartridge before use.
- Do not exceed the recommended trimming length specified by the manufacturer.
- Avoid applying excessive force when trimming cases, as this may lead to injury or damage to the die.
- Never attempt to modify the die or use it for any purpose other than its intended use.
- Always store the die in a safe and dry location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Lee Deluxe or Lee Value Trim Case Trimmer is set up according to the manufacturer's instructions.
- Select the appropriate caliber die for the .277 Sig Fury.
- Securely attach the die to the trimmer following the manufacturer's guidelines.
- Check that the die is properly aligned and tightened before proceeding.

### 2. Usage:

- Insert the case you wish to trim into the trimmer.
- Adjust the trimmer to the desired trimming length according to the manufacturer's specifications.
- Activate the trimmer to begin trimming the case. Monitor the trimming process closely.
- Once trimming is complete, carefully remove the case from the trimmer.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die becomes damaged beyond repair, dispose of it in a manner that prevents it from being used again.
- Recycle materials where possible, following local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Lee Quick Trim Die, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details on hand for reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Lee Quick Trim Dies. Thank you for prioritizing safety in your reloading practices.
