Safety Instructions for QUICK TRIM DIES LEE PRECISION 4.6X30MM LIMITED PRODUCTION QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read and understand all guidelines before using the Quick Trim Die.

General Safety Guidelines

- Always use the Quick Trim Die in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and free from obstructions.
- Keep the Quick Trim Die out of reach of children and pets.
- Be aware of your surroundings and avoid distractions while using the product.
- Regularly inspect the Quick Trim Die for any signs of wear or damage.
- If you notice any abnormalities, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential injuries.
- Ensure that the case trimmer is securely mounted and stable before use.
- Avoid wearing loose clothing or jewelry that could become entangled in the equipment.
- Do not exceed the recommended cartridge specifications for the Quick Trim Die.
- Always handle the Quick Trim Die and cases with care to prevent injury.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Lee Deluxe or Lee Value Trim Case Trimmer is properly assembled.
- Locate the Quick Trim Die and ensure all components are present.
- Attach the Quick Trim Die to the trimmer according to the manufacturer's instructions, ensuring a secure fit.

2. Usage:

- Select the appropriate cartridge (4.6 x 30mm) for trimming.
- Insert the case into the trimmer and adjust the settings as needed.
- Carefully operate the trimmer, applying steady pressure without forcing the die.
- After trimming, inspect the case for uniformity and any defects.
- Clean the Quick Trim Die after use to maintain its condition and performance.

Disposal Instructions

- Dispose of any damaged or worn components of the Quick Trim Die in accordance with local regulations.
- Do not dispose of the Quick Trim Die in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact details provided in the product packaging or on their official website. Always ensure that you have the latest information regarding safety recalls and product updates.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Lee Quick Trim Dies. Always stay informed about safety practices and regulations to protect yourself and others while using this product. Thank you for your attention to safety.
