

# AR-15 SOLID ADJUSTABLE GAS BLOCK - SUPERLATIVE ARMS AR-15 SOLID SS ADJUSTABLE GAS BLOCK .750" TAN

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The Superlative Arms patented "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back.

Data: Gas Block Material: 416 SS Barrel Diameter: 0.625" Weight: 1.37 oz. Length: 1.00" Attachment Type: Solid Gas Adjustment: 30 Locked Positions, Front Of Block Bleed Off Port: Front Of Block Included: Gas Block - Assembled (2) 10-32 x 3/16" Set Screws (1) Gas Tube Roll Pins (1) 3/32 X 6" L-Shaped Hex Keys Installation Instructions & QR code for video tutorial

## Attributes

- Name: [SUPERLATIVE ARMS AR-15 SOLID SS ADJUSTABLE GAS BLOCK .750" TAN](#)
- Manufacturer: [SUPERLATIVE ARMS](#)
- Product no.: 430109752
- Mfr. No.: SABO-DI-750ST
- Inside Diameter: .750
- Material: Stainless Steel
- Style: Screw
- Weapon type: AR-15
- Delivery weight: 0.454kg
- Shipping height: 51mm
- Shipping width: 95mm
- Shipping length: 191mm
- UPC: 850011846759

## Item details

Made in USA

US export classification: 0A501.x

# Consumer Safety Instruction Guide for AR15 Solid Adjustable Gas Block

## Introduction

Thank you for choosing the Superlative Arms AR15 Solid Adjustable Gas Block. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** This gas block is designed for safe use with the AR15 platform. Ensure that you follow all safety instructions to mitigate risks associated with its use.
- **Enhanced Recalls:** Stay informed about any product recalls by checking relevant safety updates. If a recall occurs, follow the instructions provided for safe returns or remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is intended for use by adults. Keep it out of reach of children to prevent accidental misuse.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EU-based contact point listed by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the firearm is unloaded before installation.
  - Use appropriate tools and follow the installation instructions carefully.
- **Usage Precautions:**
  - Do not adjust the gas block while the firearm is in use.
  - Regularly check for any signs of wear or damage to the gas block.
- **Handling Precautions:**
  - Always treat the firearm as if it is loaded.
  - Store the gas block in a safe place when not in use.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Required Tools:

- (1) 3/32 X 6" LShaped Hex Key
- (2) 1032 x 3/16" Set Screws
- (1) Gas Tube Roll Pin

#### 2. Prepare the Firearm:

- Ensure the firearm is unloaded.
- Remove the existing gas block if applicable.

#### 3. Install the Gas Block:

- Position the gas block on the barrel with the bleedoff port facing the front.

- Secure the gas block using the provided set screws, ensuring it is properly aligned.

#### **4. Adjust the Gas Flow:**

- Use the gas adjustment screw to set the desired gas flow. The patented adjustment detent prevents contamination.

#### **5. Check Installation:**

- Ensure all screws are tightened and the gas block is securely attached.

### **Usage Instructions**

- **Operating the Firearm:**

- Once installed, the gas block allows for adjustable gas flow, improving performance.
- Regularly test the firearm to ensure proper function and adjust the gas flow as necessary.

- **Maintenance:**

- Clean the gas block regularly to prevent carbon buildup.
- Inspect the gas adjustment screw for any signs of erosion or seizing.

### **Disposal Instructions**

- **Disposal of Product:**

- When the gas block reaches the end of its life, dispose of it according to local regulations for metal waste.
- Do not throw the gas block in regular trash; instead, recycle it at a designated facility.

### **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Solid Adjustable Gas Block, please refer to the manufacturer's guidelines or website for further support and information.

By following these guidelines, you can ensure safe and effective use of the AR15 Solid Adjustable Gas Block. Thank you for prioritizing safety and compliance with EU regulations.
