

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .226"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .226"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109853
- Mfr. No.: SAC-226NB
- Diameter (in): .226
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and information for the proper use and handling of the product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the product is used in a safe environment, free from distractions.
- Keep the bushings out of reach of children and vulnerable individuals.
- Inspect the bushings for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the SAC Neck Sizing Bushings only with compatible neck sizing dies.
- Ensure that the bushing is properly seated in the die before use.
- Avoid excessive force when resizing to prevent damage to the bushing or die.
- Wear appropriate safety gear, such as safety glasses, when using resizing equipment.
- Be mindful of sharp edges on the bushing that may cause injury during handling.
- Do not attempt to modify or alter the bushings in any way.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and equipment, including your resizing die and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and organized.

### 2. Installation

- Insert the SAC Neck Sizing Bushing into the resizing die.
- Ensure that the bushing fits snugly and is properly aligned.
- Tighten any locking mechanisms as per the die's instructions.

### 3. Usage

- Place the cartridge brass into the resizing die with the installed bushing.
- Operate the resizing equipment according to the manufacturer's guidelines.
- Monitor the process closely to ensure proper resizing without excessive force.

### 4. PostUse Care

- Remove the bushing from the die and clean it to remove any debris or residue.
- Inspect the bushing for wear or damage after each use.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy the benefits of your SAC Neck Sizing Bushings while ensuring a safe and efficient reloading experience.
