

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .227"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .227"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109854
- Mfr. No.: SAC-227NB
- Diameter (in): .227
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this guide carefully to understand how to use the bushings properly and safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the bushings out of reach of children and vulnerable individuals.
- Inspect the bushings before each use for any signs of damage or wear.
- Store the bushings in a dry, cool place to prevent corrosion or damage.
- Follow all manufacturer instructions for use and maintenance.
- Report any unsafe products or accidents to your local authorities.

## Specific Safety Precautions for Use

- Always wear safety glasses when using the neck sizing bushings to protect your eyes from debris.
- Use the bushings only with compatible resizing dies as specified by the manufacturer.
- Do not force the bushings into the die if they do not fit; this may cause damage to both the bushing and the die.
- Avoid using the bushings with excessive force, as this may lead to injury or equipment failure.
- Ensure that the work area is clean and free from distractions while using the bushings.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment, including the resizing die and the SAC Neck Sizing Bushing.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Unscrew the resizing die from your reloading press.
- Carefully insert the SAC Neck Sizing Bushing into the resizing die.
- Ensure that the bushing is seated properly and securely within the die.

### 3. Usage:

- Place the cartridge brass into the resizing die with the bushing installed.
- Follow the manufacturer's instructions for operating the reloading press.
- Apply even pressure when resizing the brass to avoid damaging the bushing or the die.
- After resizing, inspect the cartridge brass for proper sizing and any signs of damage.

### 4. PostUse Care:

- Remove the bushing from the resizing die after use.
- Clean the bushing with a soft cloth to remove any debris or residue.
- Store the bushing in a safe place, away from moisture and corrosive elements.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste.
- Contact local recycling centers for proper disposal methods for metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the contact information provided on the packaging or the manufacturer's website. It is essential to have access to support for your safety and satisfaction.

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and for choosing Short Action Customs, LLC.
