

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .229"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .229"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109856
- Mfr. No.: SAC-229NB
- Diameter (in): .229
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings by Short Action Customs, LLC. These bushings are designed to enhance the accuracy and performance of your reloading process. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for wear or damage before use.
- Do not attempt to modify or repair the bushings.
- Follow all manufacturer instructions carefully to avoid misuse.
- In case of any accidents or product failures, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear protective eyewear when handling and using reloading equipment.
- Use the bushings only with compatible neck sizing dies.
- Ensure that your reloading workspace is clean and free from distractions.
- Do not exceed the recommended specifications for use, including pressure limits.
- Store the bushings in a cool, dry place to prevent corrosion.
- If you notice any irregularities in the performance of the bushings, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the SAC Neck Sizing Bushing into the sizing die.
- Ensure that the bushing fits securely and is properly aligned.
- Tighten the die according to the manufacturer's specifications.

### 2. Usage:

- Prepare the cartridge brass by cleaning and inspecting it for damage.
- Place the brass case into the sizing die with the bushing installed.
- Operate the reloading press smoothly and steadily to resize the brass.
- After resizing, remove the brass case and inspect it for proper sizing.
- Repeat the process as necessary for additional brass cases.

### 3. PostUsage Care:

- Clean the bushings after each use to maintain performance.
- Store the bushings in their original packaging or a protective case.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or support regarding the SAC Neck Sizing Bushings, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and proper usage.
