

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .230"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .230"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109857
- Mfr. No.: SAC-230NB
- Diameter (in): .230
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SHORT ACTION CUSTOMS, LLC. Safety Instruction Guide

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings. This guide provides important safety information to ensure the safe and effective use of the product. Please read this manual carefully before use.

## General Safety Guidelines

- Always inspect the bushing for any signs of damage before use. Do not use if damaged.
- Ensure that the resizing die is compatible with the SAC Neck Sizing Bushings.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the bushings only for their intended purpose as specified in the product description.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and using the product.
- Follow all local regulations regarding the use of reloading equipment and components.

## Specific Safety Precautions for Use

- Ensure that the resizing die is securely mounted and stable before using the neck sizing bushings.
- Avoid excessive force when resizing brass to prevent damage to the bushing and die.
- Do not modify the neck sizing bushings or the resizing die in any way.
- Always ensure that the bushing is properly seated in the die before use.
- Be cautious of sharp edges on the bushing; handle with care to avoid cuts or injuries.
- Store the bushings in a safe, dry place when not in use to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your resizing die is clean and free of debris.
- Select the appropriate SAC Neck Sizing Bushing for your application.
- Insert the bushing into the resizing die until it is fully seated.
- Secure the die in your reloading press according to the manufacturer's instructions.

### 2. Usage

- Prepare your cartridge brass by cleaning it thoroughly.
- Place the brass case in the shell holder of your reloading press.
- Slowly raise the press handle to bring the brass into contact with the bushing.
- Apply steady pressure until the resizing process is complete.
- Lower the press handle to remove the resized brass case.
- Inspect the resized brass for any signs of damage or improper sizing.

## Disposal Instructions

- Dispose of any damaged or unusable bushings in accordance with local waste disposal regulations.
- Do not throw bushings in regular household waste. Check for recycling options for metal components.
- Ensure that all packaging materials are disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your reloading experience with SAC Neck Sizing Bushings!
