

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .239"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .239"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109861
- Mfr. No.: SAC-239NB
- Diameter (in): .239
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information for your new product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always inspect the neck sizing bushing for any signs of damage before use.
- Ensure that the bushing is compatible with your resizing die.
- Follow all manufacturer instructions for the use of resizing dies and bushings.
- Store the bushing in a dry place, away from extreme temperatures and humidity.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product incidents or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only with appropriate resizing dies designed for neck sizing.
- Avoid excessive force during resizing to prevent damage to the bushing or die.
- Do not modify the bushing in any way, as this may compromise safety and performance.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using resizing equipment.
- Ensure that your workspace is clean and free from clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the resizing die is securely mounted in your reloading press.
- Select the appropriate SAC neck sizing bushing for your application.
- Insert the neck sizing bushing into the resizing die according to the manufacturer's instructions.
- Tighten the die securely to avoid movement during use.

### 2. Usage:

- Prepare your cartridge brass by cleaning and inspecting it for defects.
- Insert the cartridge brass into the resizing die with the neck facing upward.
- Operate the reloading press smoothly and evenly to resize the neck of the brass.
- After resizing, remove the brass and inspect it for proper sizing and any potential issues.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs that accept metal products.
- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact details provided with your purchase.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for choosing Short Action Customs, LLC.
