

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .242"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .242"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109864
- Mfr. No.: SAC-242NB
- Diameter (in): .242
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance your reloading experience by minimizing neck runout and increasing cartridge concentricity. This safety instruction guide provides essential information to ensure safe and effective use of this product.

## General Safety Guidelines

- Always read and follow the safety instructions provided with this product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury.
- Ensure that the bushing is compatible with your resizing die before use.
- Do not exceed the recommended specifications for the bushing.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating reloading equipment.
- Avoid using damaged or worn bushings to prevent accidents or inaccuracies in reloading.

## Instructions for Installation and Usage

### 1. Compatibility Check

- Verify that the bushing size (.242") is suitable for your resizing die brand (e.g., RCBS, Whidden, Harrells, Redding, Hornady, LE Wilson).

### 2. Installation

- Remove the resizing die from the press.
- Carefully insert the SAC neck sizing bushing into the die.
- Ensure that the bushing is seated properly and securely.

### 3. Usage

- Place the cartridge brass into the resizing die.
- Operate the press according to the manufacturer's instructions.
- Monitor the process to ensure smooth operation and prevent jams.

### 4. PostUse Inspection

- After use, inspect the bushing for any signs of damage or wear.
- Clean the bushing with a soft cloth to remove any debris or residue.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials when possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the official contact point provided by Short Action Customs, LLC. Ensure that you have the product details ready when reaching out for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with your SAC Neck Sizing Bushings.
