

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .246"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .246"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for purchasing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the bushings.

General Safety Guidelines

- Ensure that the SAC Neck Sizing Bushings are used only with compatible neck sizing dies.
- Always inspect the bushings for damage or wear before use. Do not use damaged bushings.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the bushings only as intended. Misuse can lead to unsafe conditions and potential injuries.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the bushings.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Be cautious when resizing brass, as sharp edges may be present.
- Avoid applying excessive force when using the bushings to prevent damage to the die or bushing.
- Store the bushings in a safe and dry place when not in use to prevent corrosion or damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the neck sizing die and the SAC Neck Sizing Bushings.
- Ensure your workspace is welllit and organized.

2. Installation:

- Carefully remove the bushing from its packaging.
- Insert the SAC Neck Sizing Bushing into the neck sizing die according to the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely within the die.

3. Usage:

- Follow the neck sizing die manufacturer's instructions for adjusting and using the die with the bushing.
- When resizing brass, apply steady, even pressure to avoid damaging the bushing or die.
- Periodically check the bushing for wear or damage during use.

4. PostUsage:

- After use, remove the bushing from the die and clean it to remove any brass residue.
- Inspect the bushing for any signs of wear or damage before storing.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Instead, check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any inquiries or further assistance regarding the SAC Neck Sizing Bushings, please refer to the relevant contact information provided by your point of purchase or the manufacturer.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SAC Neck Sizing Bushings. Thank you for choosing Short Action Customs, LLC. Your safety is our priority.
