

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .248"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .248"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109870
- Mfr. No.: SAC-248NB
- Diameter (in): .248
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety information and instructions for the proper use and care of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the bushings before use for any signs of damage or wear. Do not use damaged products.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the bushings.
- Follow all local regulations and guidelines for the use of reloading equipment.

Specific Safety Precautions for Use

- Use the bushings only in compatible resizing dies as specified by the manufacturer.
- Do not exceed the recommended resizing pressures to avoid damaging the bushings or the dies.
- Ensure that the bushing is securely installed in the resizing die before use.
- Avoid using excessive force when resizing brass to minimize the risk of injury or equipment failure.
- Be aware of the potential for brass shavings or debris during the resizing process. Clean the work area regularly.

Instructions for Installation and Usage

1. Installation:

- Ensure that the resizing die is clean and free of debris.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Adjust the resizing die to the desired setting according to your reloading specifications.
- Insert the brass case into the resizing die and apply steady pressure to resize the neck.
- After resizing, remove the brass case and inspect for proper sizing and any signs of damage.

3. PostUse Care:

- Clean the bushings after each use to maintain performance and longevity.
- Store the bushings in a dry and safe place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it is still functional. Consider donating or recycling if possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

This safety instruction guide is designed to ensure your safety and the effective use of the SAC Neck Sizing Bushings. Always prioritize safety and follow the guidelines provided. Thank you for your attention and enjoy your reloading experience!
