

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .251"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .251"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109873
- Mfr. No.: SAC-251NB
- Diameter (in): .251
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety information and instructions for the proper use and care of your neck sizing bushings. Please read this guide carefully to ensure safe and effective usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of resizing cartridge necks.
- Always inspect the bushings before use for any signs of damage or wear.
- Keep the bushings out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of metal products.
- Be aware of your surroundings and ensure a safe workspace when using resizing equipment.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the bushings.
- Avoid direct contact with sharp edges or surfaces during installation and removal.
- Ensure that the resizing die is securely mounted and stable before inserting the bushing.
- Do not force the bushing into the die; it should fit snugly but easily.
- Use caution when operating resizing equipment to prevent injury from moving parts.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the resizing die, bushing, and cartridge brass.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the die. Ensure that it is seated properly.
- Reattach the resizing die to the press according to the manufacturer's instructions.

### 3. Usage:

- Place the cartridge brass into the resizing die.
- Operate the press according to the manufacturer's guidelines to resize the neck of the cartridge.
- After resizing, carefully remove the cartridge brass from the die.

### 4. PostUse Care:

- Clean the bushings after use to remove any debris or residue.
- Store the bushings in a safe, dry place to prevent corrosion or damage.

## Disposal Instructions

- Dispose of any damaged or worn bushings according to local regulations for metal waste.

- Do not dispose of the bushings in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety and satisfaction are our priorities.
