

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .256"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .256"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109878
- Mfr. No.: SAC-256NB
- Diameter (in): .256
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC Neck Sizing Bushings Safety Instruction Guide

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions, usage guidelines, and contact information to ensure safe and effective use of this product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bushings before use for any signs of damage or wear.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use protective eyewear and gloves when handling the bushings to avoid injury.
- Do not exceed the recommended specifications for the bushings as outlined in this guide.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the SAC Neck Sizing Bushings with compatible resizing dies. Refer to the product specifications for a list of compatible brands.
- Do not force the bushings into the die; ensure proper alignment before use.
- Avoid using excessive force when resizing cartridges to prevent damage to the bushings and ensure safety.
- Store the bushings in a dry, cool place to prevent corrosion and maintain their quality.
- If you experience any unusual behavior during use, cease operation immediately and inspect the bushings.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all necessary tools and equipment ready for the resizing process.
- Clean the resizing die and ensure it is free from debris.

### 2. Installation:

- Select the appropriate SAC Neck Sizing Bushing based on your cartridge specifications.
- Insert the bushing into the resizing die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

### 3. Usage:

- Place the cartridge case into the resizing die.
- Apply steady pressure on the press handle to resize the neck of the cartridge.
- Monitor the process closely and stop if you encounter resistance or any unusual sounds.

### 4. PostUse:

- Remove the resized cartridge from the die and inspect it for consistency and quality.
- Clean the bushings after use to maintain their effectiveness and longevity.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste. Check with local recycling programs for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the relevant contact points provided by the manufacturer. Ensure that you have the product details on hand for efficient assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and for choosing Short Action Customs, LLC.
