

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .258"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .258"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109880
- Mfr. No.: SAC-258NB
- Diameter (in): .258
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety information to ensure the safe and effective use of this product. Please read and understand these instructions before using the neck sizing bushings.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
- Ensure that the resizing die is securely mounted before use to prevent accidents.
- Do not exceed the manufacturer's recommended sizing specifications to avoid damaging the brass or the bushing.
- Avoid using the bushings with incompatible resizing dies, as this may lead to improper functioning or damage.
- Be cautious of sharp edges or burrs on the bushings that may cause injury during handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the resizing process.
- Ensure that the resizing die is clean and free from debris.

### 2. Installation:

- Insert the SAC Neck Sizing Bushing into the resizing die according to the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely within the die.

### 3. Usage:

- Carefully place the cartridge brass into the resizing die.
- Operate the resizing press according to the recommended settings for your specific die and bushing combination.
- Monitor the process closely to ensure that the neck sizing is performed accurately and safely.

### 4. PostUsage:

- Remove the resized brass from the die and inspect it for proper sizing and any signs of damage.
- Clean the bushing and die after use to maintain their performance and longevity.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, follow guidelines for metal recycling or hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the SAC Neck Sizing Bushings!
