

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .259"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .259"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109881
- Mfr. No.: SAC-259NB
- Diameter (in): .259
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read and follow all instructions carefully to avoid any potential hazards.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the SAC Neck Sizing Bushings only with compatible neck sizing dies.
- Ensure that the bushings are properly seated in the die before use.
- Do not exceed the recommended sizing specifications to avoid damaging your equipment or cartridges.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using resizing equipment.
- Handle the bushings with care to prevent injury from sharp edges.
- Avoid using the product if you notice any defects or irregularities.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free of debris.
- Select the appropriate SAC Neck Sizing Bushing size for your cartridge.
- Insert the neck sizing bushing into the resizing die, ensuring it fits snugly.
- Secure the die in your reloading press according to the manufacturer's instructions.

2. Usage:

- Prepare your brass cartridges by cleaning and inspecting them for damage.
- Place the cartridge in the resizing die with the neck facing up.
- Operate the reloading press according to the manufacturer's instructions, applying steady pressure.
- Once the resizing is complete, carefully remove the cartridge from the die.
- Inspect the resized cartridge for proper neck tension and concentricity.

3. PostUsage Care:

- Clean the neck sizing bushings after use to remove any debris or residue.
- Store the bushings in a dry, clean place to prevent corrosion or damage.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the contact information provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SAC Neck Sizing Bushings. Thank you for your attention to these important guidelines.
