

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .262"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .262"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109884
- Mfr. No.: SAC-262NB
- Diameter (in): .262
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage guidelines to ensure optimal performance and safety while using this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is compatible with your neck sizing die before use.
- Always inspect the bushings for any signs of damage or wear before installation.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using the bushings with excessive force, as this may damage the product or your resizing die.
- Do not use the bushings if they are damaged or show signs of wear.
- Ensure that the resizing die is securely mounted before using the bushings.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, during use to protect against debris.
- Be cautious of sharp edges during handling and installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials.
- Ensure your workspace is clean and free of obstructions.

### 2. Installation

- Remove any existing bushings from your resizing die.
- Clean the die and ensure there are no debris or obstructions.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated properly.
- Secure the resizing die in your reloading press according to the manufacturer's instructions.

### 3. Usage

- Prepare your cartridge brass for resizing.
- Follow the resizing die's instructions for proper operation.
- Monitor the resizing process to ensure that neck runout is minimized.
- After resizing, inspect the brass for any signs of improper sizing or damage.

### 4. PostUse Care

- Clean the bushings and resizing die after each use to maintain performance.
- Store the bushings in a safe place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal recycling and waste disposal.
- Do not dispose of the bushings in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the contact details provided by the retailer or manufacturer.
