

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .263"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .263"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109885
- Mfr. No.: SAC-263NB
- Diameter (in): .263
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the neck sizing process of cartridge brass, ensuring improved accuracy and performance. This guide provides essential safety instructions and usage information to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always read and understand the entire instruction manual before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Use protective eyewear when handling or operating the neck sizing bushings.
- Ensure that the resizing die is securely mounted and properly adjusted before use.
- Do not exceed the recommended sizing parameters as specified by the manufacturer.
- Avoid using the bushings with damaged or improperly sized brass cases.
- Handle the bushings with care to prevent injury from sharp edges.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the neck sizing die, brass cases, and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and free from distractions.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated firmly.
- Reattach the resizing die to the reloading press, ensuring it is secured according to the manufacturer's instructions.

### 3. Usage:

- Load the brass case into the resizing die as per the die manufacturer's guidelines.
- Operate the reloading press to size the neck of the brass case, applying consistent and even pressure.
- After resizing, inspect the brass case for proper neck sizing and any signs of damage.

### 4. PostUsage:

- Clean the bushings and resizing die after each use to remove any debris or residue.
- Store the bushings in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper recycling or disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please contact the manufacturer directly through their official website or customer service channels.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and for choosing Short Action Customs, LLC.
