

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .264"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .264"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109886
- Mfr. No.: SAC-264NB
- Diameter (in): .264
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully to understand how to use the bushings safely and responsibly.

## General Safety Guidelines

- Ensure that the bushings are used only with compatible neck sizing dies.
- Always inspect the bushings for damage or wear before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions regarding the use and maintenance of the bushings.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that the bushing size matches the neck sizing die being used.
- **Inspection:** Before each use, check for any signs of damage or defects. Do not use damaged bushings.
- **Handling:** Handle the bushings with care to avoid injury. They may have sharp edges.
- **Storage:** Store the bushings in a dry, safe place away from children and pets.
- **Use Protective Gear:** When resizing cartridges, wear safety glasses and gloves to protect against brass shavings and debris.
- **Avoid Overloading:** Do not exceed the recommended specifications of the resizing die or the bushing to prevent malfunction or damage.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and materials, including the neck sizing die, bushing, and cartridge brass.
2. **Installation:**
  - Ensure the resizing die is clean and free from debris.
  - Insert the bushing into the resizing die, ensuring it fits snugly and securely.
  - Tighten the die according to the manufacturer's specifications.
3. **Usage:**
  - Place the cartridge brass into the resizing die.
  - Apply consistent pressure while resizing to ensure uniform neck sizing.
  - Inspect the resized brass for any irregularities or issues.
4. **PostUsage:**
  - Remove the bushing from the die after use.
  - Clean the bushing to remove any brass residue and store it properly.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste if they are contaminated with hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or contact the appropriate support channels.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SAC Neck Sizing Bushings responsibly.
