

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .267"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .267"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109889
- Mfr. No.: SAC-267NB
- Diameter (in): .267
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the precision of your reloading process. While using these products, it is essential to follow safety guidelines to ensure safe usage and optimal performance. This guide outlines general safety guidelines, specific precautions, installation instructions, and disposal information.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the product is compatible with your resizing die.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use.
- Store the bushings in a dry and safe location to prevent damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury or damage.
- Use appropriate personal protective equipment (PPE) such as safety glasses when working with reloading equipment.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended load limits for your resizing die.
- Avoid using the bushings with any damaged or malfunctioning equipment.
- Be cautious of sharp edges on the bushings during handling.

## Instructions for Installation and Usage

1. **Compatibility Check:** Confirm that your resizing die is compatible with the SAC Neck Sizing Bushings.
2. **Preparation:**
  - Clean the resizing die and the bushings to remove any debris or contaminants.
  - Ensure that your workspace is free of clutter.
3. **Installation:**
  - Carefully insert the SAC Neck Sizing Bushing into the resizing die.
  - Ensure it is seated properly and securely.
4. **Usage:**
  - Follow the manufacturer's instructions for your resizing die.
  - Adjust the die settings as necessary to accommodate the bushings.
  - Monitor the resizing process closely to ensure proper usage.
5. **PostUsage:**
  - Remove the bushing from the die after use.
  - Clean the bushing and store it in a safe location.
  - Regularly inspect the bushing for wear or damage.

## Disposal Instructions

- Dispose of the bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste.
- If the bushings are damaged or no longer usable, consider recycling if possible.

## **Contact Information for Further Support**

For further inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with your product.

By following these safety guidelines, you ensure a safer and more effective reloading experience with your SAC Neck Sizing Bushings. Thank you for prioritizing safety in your reloading practices.
