

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .269"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .269"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose of resizing cartridge necks.
- Always follow the manufacturer's instructions and recommendations for use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bushings for damage or wear before each use. Do not use damaged bushings.
- If you experience any issues or concerns while using the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury from sharp edges.
- Wear appropriate safety gear, such as safety glasses, when using resizing dies and bushings.
- Ensure that the resizing die is securely mounted and stable before use.
- Do not exceed the recommended specifications for the resizing die and bushings.
- Avoid overtightening the bushings, which may lead to damage or malfunction.
- Do not attempt to modify or repair the bushings; contact the manufacturer for support.

Instructions for Installation and Usage

1. Installation of Bushings:

- Clean the resizing die and ensure it is free from debris.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it fits snugly.
- Secure the die in your reloading press according to the manufacturer's instructions.

2. Usage Instructions:

- Prepare your cartridge brass by cleaning and inspecting it for damages.
- Place the brass case into the resizing die with the neck facing the bushing.
- Operate the reloading press to resize the neck of the cartridge brass.
- Inspect the resized neck for proper dimensions and runout.
- Repeat the process as necessary for additional cases.

3. PostUsage Care:

- Clean the bushings after use to remove any residue or debris.
- Store the bushings in a safe, dry place to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and proper usage.
