

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .270"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .270"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109892
- Mfr. No.: SAC-270NB
- Diameter (in): .270
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

Safety Instruction Guide for SAC NECK SIZING BUSHINGS SHORT ACTION CUSTOMS, LLC.

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual thoroughly before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the bushings out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Always follow the manufacturer's instructions for use and maintenance.
- In case of any malfunction or irregularities, discontinue use immediately and contact support.

Specific Safety Precautions for Use

- Use the bushings only with compatible neck sizing dies.
- Ensure the resizing die is securely mounted and stable before using the bushings.
- Avoid using excessive force during resizing to prevent damage to the bushing or die.
- Wear appropriate safety gear, such as safety glasses, when operating resizing equipment.
- Do not attempt to modify the bushings or use them in a manner not specified by the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure that the resizing die is clean and free of debris.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications to secure the bushing.

2. Usage

- Prepare your cartridge brass by ensuring it is clean and dry.
- Place the cartridge brass into the resizing die with the bushing installed.
- Apply a steady, even pressure to the resizing handle to resize the neck of the cartridge.
- Inspect the resized brass for consistency and proper dimensions after resizing.

3. PostUse Care

- Remove the bushing from the resizing die after use.
- Clean the bushing with a soft cloth to remove any residue.
- Store the bushings in a dry place, away from extreme temperatures and moisture.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw bushings in regular household waste. Instead, check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries, concerns, or additional support, please refer to the manufacturer's contact information provided with the product.

Thank you for prioritizing safety while using the SAC Neck Sizing Bushings. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
