

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .271"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .271"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109893
- Mfr. No.: SAC-271NB
- Diameter (in): .271
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information to ensure you can use this product safely and effectively. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use. Do not use if damaged.
- Follow all manufacturer instructions for installation and use to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using neck sizing bushings.
- Use the bushings only with compatible neck sizing dies to avoid potential hazards.
- Do not exceed the recommended specifications for resizing. Overuse can lead to equipment failure.
- Handle the bushings with care to avoid injury from sharp edges.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Ensure that your resizing die is clean and free from debris.
- Gather all necessary tools and materials before beginning the resizing process.

2. Installation of the Neck Sizing Bushing

- Remove the existing bushing from your resizing die if applicable.
- Insert the SAC neck sizing bushing into the die, ensuring it fits snugly.
- Secure the bushing according to the die manufacturer's instructions.

3. Using the Neck Sizing Bushing

- Adjust the resizing die to the desired depth according to your specific requirements.
- Insert the cartridge brass into the die and apply even pressure to resize the neck.
- Monitor the process closely to ensure consistent results and avoid oversizing.

4. PostUsage Care

- Clean the bushing after each use to maintain optimal performance.
- Store the bushings in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn neck sizing bushings according to local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated

disposal sites.

Contact Information for Further Support

For any safety inquiries or further assistance with the SAC Neck Sizing Bushings, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Always prioritize safety and consult the manufacturer for any questions or concerns regarding the product. Thank you for your attention to these guidelines and for choosing Short Action Customs, LLC.
