

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .277"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .277"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the performance of your neck sizing dies while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Always read the product manual before use.
- Ensure that the product is suitable for your specific neck sizing die.
- Inspect the bushings for any damage or defects before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the bushings.
- Do not exceed the recommended specifications for your resizing die.
- Ensure that the bushings are properly installed and secured before use.
- Avoid using excessive force during resizing to prevent damage to the bushing or the die.
- Do not modify the bushings in any way, as this may compromise safety and performance.
- If you experience any unusual resistance or issues during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Clean the neck sizing die and ensure it is free from debris.
- Select the appropriate SAC Neck Sizing Bushing for your application.

2. Installation:

- Insert the neck sizing bushing into the resizing die according to the manufacturer's instructions.
- Ensure that the bushing is seated correctly and securely in place.

3. Usage:

- Place the cartridge brass into the resizing die with the bushing installed.
- Apply steady and even pressure while resizing the brass.
- Monitor the process for any signs of resistance or malfunction.
- Once resizing is complete, carefully remove the brass from the die.

4. PostUsage:

- Clean the bushing after use to maintain its performance.
- Store the bushings in a safe and dry location, away from children and pets.

Disposal Instructions

- Dispose of any damaged or wornout bushings in accordance with local regulations.
- Do not throw the bushings in regular household waste. Check with your local waste disposal facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your SAC Neck Sizing Bushings.
