

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .283"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .283"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109903

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and understand these instructions before using the neck sizing bushings.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the neck sizing bushings by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements. Verify the product's authenticity and safety features.
- **Special Consumer Focus:** Extra caution should be taken by vulnerable groups. Ensure that children do not have access to the product.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to injury or damage to equipment.
 - Ensure that the neck sizing bushing is compatible with your resizing die before use.
- **Avoiding Hazards:**
 - Use the bushings only for their intended purpose.
 - Do not use damaged or worn bushings.
 - Always wear appropriate safety gear, such as eye protection, when using resizing equipment.
- **Audience Specific Warnings:**
 - This product is intended for adult users. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the resizing die is clean and free from debris.
 2. Select the appropriate SAC neck sizing bushing for your resizing die.
 3. Insert the neck sizing bushing into the die, ensuring it is securely in place.
 4. Tighten the die according to the manufacturer's specifications.
- **Usage:**
 1. Prepare your cartridge brass for resizing.
 2. Insert the brass into the resizing die with the installed neck sizing bushing.
 3. Follow the resizing die's operation instructions to resize the brass.
 4. Inspect the resized brass for proper neck dimensions and runout.
 5. Clean the neck sizing bushing after use to maintain its performance.

Disposal Instructions

- Dispose of the neck sizing bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste if they are damaged or contain hazardous materials.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any questions, concerns, or further assistance regarding the SAC Neck Sizing Bushings, please refer to the appropriate contact point as indicated in your purchase documentation.

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for prioritizing safety and responsible usage.
