

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .288"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .288"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with our product. Please read this guide carefully before using the neck sizing bushings.

General Safety Guidelines

- Follow all instructions provided in this guide to ensure safe use of the product.
- Ensure that the neck sizing bushings are compatible with your resizing die.
- Inspect the bushings for any damage before use. Do not use damaged bushings.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Always wear appropriate safety gear, including safety glasses, when using this product.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the resizing die is securely mounted before inserting the neck sizing bushing.
- Do not exceed the recommended maximum pressure when resizing cartridges.
- Avoid using excessive force when inserting or removing the bushings from the resizing die.
- Store the bushings in a safe, dry place when not in use to prevent corrosion or damage.
- Regularly clean the bushings to maintain their performance and longevity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the resizing die, neck sizing bushings, and safety gear.
- Ensure your workspace is clean and organized.

2. Installation:

- Insert the neck sizing bushing into the resizing die. Ensure it is seated securely.
- Check that the bushing is aligned properly with the die.

3. Usage:

- Adjust the resizing die according to the manufacturer's instructions.
- Insert the cartridge brass into the resizing die.
- Apply pressure gradually and evenly to resize the neck of the cartridge brass.
- After resizing, remove the cartridge brass and inspect it for proper sizing.

4. PostUsage:

- Clean the neck sizing bushings with a suitable cleaning solution.
- Store the bushings in a protective case or container to prevent damage.

Disposal Instructions

- Dispose of any damaged or wornout neck sizing bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Check for recycling options for metal materials in your area.

Contact Information for Further Support

For any inquiries regarding safety or usage, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using your SAC Neck Sizing Bushings safely and effectively!
