

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .289"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .289"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109909
- Mfr. No.: SAC-289NB
- Diameter (in): .289
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information to ensure the safe handling and operation of your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of damage or wear.
- Do not use the bushings if they appear damaged or defective.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with compatible neck sizing dies specified by the manufacturer.
- Ensure that the bushings are securely fitted into the resizing die before use.
- Do not exceed the recommended specifications for the resizing process.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Avoid direct contact with moving parts during operation to prevent injury.
- Do not attempt to modify or alter the bushings in any way.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate bushing size (0.289" diameter) for your resizing die.
- Carefully insert the bushing into the resizing die, ensuring a secure fit.
- Tighten any locking mechanisms as per the die manufacturer's instructions.

2. Usage:

- Prepare your cartridge brass for resizing by cleaning and inspecting it for damage.
- Insert the cartridge brass into the resizing die with the installed bushing.
- Follow the resizing die manufacturer's instructions for operating the press.
- After resizing, inspect the cartridge brass for proper neck dimensions and runoff.

3. PostUsage:

- Clean the bushings after use to maintain their performance.
- Store the bushings in a dry, safe place away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website for support.

By following these guidelines, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR).
