

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .290"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .290"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109910
- Mfr. No.: SAC-290NB
- Diameter (in): .290
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

SAC Neck Sizing Bushings Safety Instruction Guide

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions for the safe use and handling of this product. Please read this guide carefully before using the bushings to ensure safe and effective operation.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or using the bushings.
- Keep the bushings out of reach of children and pets to prevent accidental injury.
- Inspect the bushings for any signs of damage before use. Do not use damaged bushings.
- Be aware of the potential hazards associated with neck sizing and reloading processes.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with compatible neck sizing dies to avoid improper fitting and potential damage.
- Avoid excessive force during the resizing process to prevent equipment failure or personal injury.
- Ensure that the workspace is clean and organized to reduce the risk of accidents.
- Do not modify or alter the bushings in any way, as this may compromise their safety and effectiveness.
- Follow all manufacturer recommendations regarding the use and maintenance of the bushings.

Instructions for Installation and Usage

1. Installation:

- Ensure that your neck sizing die is clean and free from debris.
- Carefully insert the SAC Neck Sizing Bushing into the neck sizing die, ensuring a snug fit.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

2. Usage:

- Prepare your cartridge brass by cleaning and inspecting it for any defects.
- Place the brass into the resizing die with the installed bushing.
- Apply even pressure to the press handle to resize the neck of the brass. Avoid using excessive force.
- After resizing, remove the brass from the die and inspect it for proper sizing and any signs of damage.

3. Maintenance:

- Clean the bushings after each use to remove any residue or debris.
- Store the bushings in a dry, safe location away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Check for local recycling programs or

hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for choosing Short Action Customs, LLC. Your safety and satisfaction are our top priorities. Please follow all safety guidelines and instructions to ensure a safe and effective experience with our products.
