

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .292"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .292"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109912

Safety Instruction Guide for SAC NECK SIZING BUSHINGS

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the neck resizing process for cartridge brass, ensuring improved performance and accuracy. This safety instruction guide provides essential information to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the instructions provided in this guide to minimize risks.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses when using neck sizing bushings to protect your eyes from debris.
 - Use gloves to protect your hands from sharp edges and potential injuries.
- **Work Area:**
 - Ensure your workspace is clean, dry, and welllit.
 - Keep the area free from clutter to avoid accidents.
- **Handling:**
 - Handle the bushings with care to avoid dropping them, which may cause damage.
 - Do not use excessive force when inserting or removing the bushings from the resizing die.
- **Compatibility:**
 - Confirm that the bushings are compatible with your resizing die before use.
- **Maintenance:**
 - Clean the bushings regularly to maintain their performance.
 - Store the bushings in a safe, dry location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including your resizing die and the SAC Neck Sizing Bushing.
- Ensure that your workspace is organized and free from distractions.

2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated properly.
- Reattach the resizing die to your reloading press securely.

3. Usage:

- Place the cartridge brass into the resizing die.

- Operate the reloading press according to the manufacturer's instructions, applying consistent pressure.
- After resizing, remove the cartridge brass carefully and inspect for any defects.

4. PostUsage:

- Clean the neck sizing bushing and die after use to prevent buildup of debris.
- Store the bushing in a protective case to avoid damage.

Disposal Instructions

- Dispose of any damaged or wornout bushings in accordance with local waste disposal regulations.
- Do not dispose of the bushings in regular household waste.
- Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided with your product packaging or visit the official website of Short Action Customs, LLC.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the SAC Neck Sizing Bushings!
