

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .293"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .293"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109913
- Mfr. No.: SAC-293NB
- Diameter (in): .293
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and guidelines for the proper use of your neck sizing bushings. Please read this manual carefully to ensure safe and effective operation.

General Safety Guidelines

- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the bushings for any signs of damage or wear before each use.
- Use the bushings only with compatible neck sizing dies as specified by the manufacturer.
- Follow all manufacturer instructions and guidelines when using the bushings.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the resizing die is securely mounted before inserting the bushing.
- Avoid using excessive force when resizing brass to prevent damage to the bushing and die.
- Do not attempt to modify or repair the bushings. Any alterations may compromise safety and performance.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when operating resizing equipment.
- Keep your work area clean and free from clutter to reduce the risk of accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the neck sizing die, bushings, and cartridge brass.
- Ensure that your workspace is clean and welllit.

2. Installation:

- Insert the SAC neck sizing bushing into the resizing die.
- Make sure the bushing is seated properly and securely in the die.

3. Usage:

- Place the cartridge brass into the resizing die with the neck facing down.
- Operate the resizing die according to the manufacturer's instructions.
- Apply steady, even pressure while resizing the brass to minimize neck runoff.
- After resizing, carefully remove the brass from the die.

4. PostUse Care:

- Clean the bushing and die after each use to prevent brass buildup.
- Store the bushings in a safe, dry location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of the bushings in household waste. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any inquiries or safety concerns regarding the SAC Neck Sizing Bushings, please refer to the contact information provided by the manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and for choosing Short Action Customs, LLC.
