

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .294"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .294"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109914
- Mfr. No.: SAC-294NB
- Diameter (in): .294
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the neck sizing process for cartridge brass, ensuring improved accuracy and performance. This guide provides essential safety instructions and usage information to ensure you use the product safely and effectively.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to size the necks of cartridge brass.
- Always inspect the bushings for damage before use. Do not use if any defects are present.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) during handling and installation, including safety glasses and gloves if necessary.
- Follow all local regulations regarding the use and disposal of metal products.

## Specific Safety Precautions for Use

- Do not exceed the recommended sizing specifications. Using a bushing that is too small may cause damage to the brass.
- Avoid using excessive force during the resizing process to prevent equipment failure or personal injury.
- Ensure that your resizing die is compatible with the SAC Neck Sizing Bushings before use.
- Be aware of potential sharp edges on the bushings. Handle with care to avoid cuts or injuries.
- If you experience difficulty during resizing, stop immediately and inspect the equipment for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment, including your resizing die and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and free from debris.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the resizing die. Ensure it is seated properly.
- Reattach the resizing die to the reloading press, tightening it securely.

### 3. Usage:

- Place a cartridge case into the resizing die.
- Slowly and steadily raise the press handle to resize the neck of the cartridge.
- Inspect the resized neck for proper dimensions and runout after sizing.
- Repeat the process for additional cases as needed.

### 4. PostUse Care:

- Clean the bushings after use to remove any debris or residue.
- Store the bushings in a dry, safe place to prevent damage.

## Disposal Instructions

- When the SAC Neck Sizing Bushings reach the end of their usable life, dispose of them in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the SAC Neck Sizing Bushings, please refer to the information provided by the retailer or manufacturer. Always ensure you have the latest product information and safety updates.

Thank you for your attention to these safety guidelines. Proper use and care of your SAC Neck Sizing Bushings will ensure a safe and effective reloading experience.
