

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .297"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .297"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109915
- Mfr. No.: SAC-297NB
- Diameter (in): .297
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

Safety Instruction Guide for SAC NECK SIZING BUSHINGS

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety instructions and usage guidelines to ensure the safe operation of the product. Please read this guide carefully before using the bushings.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always inspect the neck sizing bushings for any signs of damage before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- In case of any malfunction or if the product appears to be unsafe, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Wear appropriate safety gear, such as safety glasses, when using the neck sizing bushings.
- Ensure that your workspace is clean and free of any hazards that could lead to accidents.
- Handle the bushings with care to avoid injuries from sharp edges.
- Do not exceed the recommended specifications for the bushings, including the diameter and height.
- Be aware of the potential for neck runout and take necessary precautions to ensure accurate resizing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the neck sizing die is compatible with the SAC neck sizing bushings.

2. Installation:

- Remove any existing bushings from the neck sizing die.
- Insert the SAC neck sizing bushing into the die, ensuring it fits securely.
- Tighten the die according to the manufacturer's specifications.

3. Usage:

- Place the cartridge brass in the resizing die.
- Operate the resizing die according to the manufacturer's instructions.
- Monitor the resizing process to ensure proper functioning and avoid excessive neck runout.

4. PostUsage:

- Carefully remove the resized brass from the die.
- Inspect the resized brass for any defects or issues.

Disposal Instructions

- Dispose of any damaged or wornout bushings in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the SAC Neck Sizing Bushings. Thank you for your attention to safety, and enjoy using your product responsibly.
