

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .299"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .299"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that your work area is clean and welllit.
- Use the bushings only for their intended purpose as specified in this guide.
- Keep the bushings out of reach of children and pets.
- Inspect the bushings for any damage or defects before use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for safe operation.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.

Specific Safety Precautions for Use

- Ensure that the neck sizing bushing is compatible with your resizing die before use.
- Avoid using excessive force when resizing cartridges to prevent damage to the bushing.
- Be cautious of sharp edges on the bushings; handle with care to avoid injury.
- Do not exceed the manufacturer's recommended specifications for resizing cartridges.
- If you experience any unusual resistance during use, stop immediately and inspect the setup for issues.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including your resizing die and the SAC Neck Sizing Bushing.
- Ensure your workspace is organized and free from distractions.

2. Installation:

- Remove the resizing die from your reloading press.
- Carefully insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated properly.
- Reattach the resizing die to your press following the manufacturer's instructions.

3. Usage:

- Place the cartridge brass into the resizing die with the bushing installed.
- Apply consistent pressure on the press handle to resize the neck of the cartridge.
- After resizing, carefully remove the cartridge brass from the die.
- Inspect the resized brass for any irregularities or defects.

4. PostUse Care:

- Clean the bushing and die after use to remove any debris or residue.
- Store the bushings in a safe, dry place when not in use to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste. Check for local recycling options.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or customer service for assistance. Ensure to have your product information ready for a more efficient response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings.
