

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .300"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .300"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109918

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance your reloading experience by ensuring optimal neck sizing for your cartridges. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are using the SAC Neck Sizing Bushings only with compatible resizing dies.
- Always inspect the bushings for any signs of damage or wear before use.
- Keep the bushings out of reach of children and pets to prevent accidents.
- Do not attempt to modify or alter the bushings in any way.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using reloading equipment.
- Use the bushings in a wellventilated area to avoid inhalation of any dust or particles.
- Handle all brass and reloading components with care to avoid cuts or injuries.
- Ensure that your reloading setup is stable and secure to prevent accidents during operation.
- Follow the manufacturer's instructions for your resizing die to avoid incorrect usage of the bushings.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment, including the resizing die and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the die, ensuring it fits snugly.
- Reattach the resizing die to the reloading press, ensuring it is securely fastened.

### 3. Usage:

- Prepare your cartridge brass for resizing by cleaning and inspecting it.
- Insert the brass into the resizing die with the installed SAC Neck Sizing Bushing.
- Follow the resizing process as per the die manufacturer's instructions.
- After resizing, remove the brass and inspect it for proper sizing and any defects.

### 4. PostUsage Care:

- Clean the bushings after use to remove any brass residue or debris.
- Store the bushings in a safe, dry place to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of bushings in regular household waste. Check for recycling options for metal components.

## **Contact Information for Further Support**

For any inquiries regarding the SAC Neck Sizing Bushings or safety concerns, please refer to the contact information provided with your product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the SAC Neck Sizing Bushings!
