

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .303"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .303"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109921
- Mfr. No.: SAC-303NB
- Diameter (in): .303
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions for the proper use of our product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the bushing size.
- Ensure that you are using compatible resizing dies to avoid misalignment and potential hazards.
- Always wear appropriate safety gear, such as eye protection, when using the bushings.
- Handle the bushings with care to avoid injury from sharp edges.
- Avoid using the product in wet or damp conditions to prevent corrosion.
- Ensure proper ventilation when using the bushings in conjunction with other equipment that may produce harmful fumes.

## Instructions for Installation and Usage

### 1. Compatibility Check:

- Verify that your resizing die is compatible with the SAC Neck Sizing Bushings before installation.
- Compatible die brands include RCBS, Whidden, Harrells, Redding, Hornady, and LE Wilson.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Carefully insert the SAC Neck Sizing Bushing into the die, ensuring it fits snugly.
- Reattach the resizing die to the press, ensuring all connections are secure.

### 3. Usage:

- Adjust the resizing die to the desired depth according to your specific reloading requirements.
- Insert the cartridge brass into the resizing die and apply consistent pressure to resize the neck.
- Monitor the process to ensure that the neck sizing is uniform and effective.
- After resizing, inspect the brass for any signs of damage or improper sizing.

### 4. PostUse Care:

- Clean the bushings after each use to remove any debris or residue.
- Store the bushings in a dry, cool place to prevent corrosion or damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste.
- If you are unsure how to dispose of the product, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided on the product packaging or the official website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your SAC Neck Sizing Bushings!
