

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .307"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .307"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109925
- Mfr. No.: SAC-307NB
- Diameter (in): .307
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure your safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Keep the bushings out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the bushings for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the product and contact your supplier for assistance.
- Always follow safe handling practices when using tools and equipment associated with neck sizing.

## Specific Safety Precautions for Use

- Use protective eyewear when operating resizing dies to prevent injury from metal shavings or debris.
- Ensure that the resizing die is securely mounted in your reloading press before inserting the bushing.
- Avoid applying excessive force when resizing, as this may damage the bushing or the die.
- Do not modify the bushing or resizing die in any way, as this may compromise safety and performance.
- Store the bushings in a dry, clean environment to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components, including the resizing die and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and welllit.

### 2. Installation

- Remove any existing bushings from your resizing die.
- Carefully insert the SAC Neck Sizing Bushing into the resizing die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

### 3. Usage

- Insert the cartridge brass into the resizing die.
- Operate the reloading press smoothly and steadily to resize the neck of the cartridge.
- After resizing, inspect the brass for uniformity and proper sizing.

### 4. PostUsage Care

- Remove the bushing from the resizing die after use and clean it with a soft cloth to remove any debris.
- Store the bushing in its original packaging or a suitable container to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste. Check with local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact details provided by your retailer or distributor. They will be able to assist you with any questions or concerns regarding the SAC Neck Sizing Bushings.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety, and enjoy your reloading experience!
