

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .310"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .310"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109928
- Mfr. No.: SAC-310NB
- Diameter (in): .310
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC Neck Sizing Bushings Safety Instruction Guide

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. These bushings are designed to enhance the precision of your reloading process. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of this product in accordance with all provided instructions.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Check for updates on the EU Safety Gate platform.
- **Online Shopping Protection:** When purchasing online, ensure the retailer complies with EU safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure it is used only by individuals familiar with reloading practices.
- **EU Contact Point:** For safety inquiries, refer to the product's EU-based contact point.
- **Rapid Alerts:** Monitor the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of neck sizing bushings can lead to safety hazards, including inaccurate cartridge sizing and potential firearm malfunctions.
  - Always inspect bushings for damage before use.
- **Avoiding Hazards:**
  - Do not use bushings that show signs of wear or damage.
  - Ensure proper handling to avoid sharp edges that may cause cuts.
  - Always wear safety glasses when resizing cartridges to protect your eyes from debris.
- **Age Restrictions:**
  - This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is clean and free of debris.
  2. Select the appropriate SAC Neck Sizing Bushing size (.310").
  3. Insert the bushing into the neck sizing die according to the manufacturer's instructions.
  4. Secure the die in the reloading press.
- **Usage:**
  1. Prepare your cartridge brass by cleaning and inspecting it for defects.
  2. Place the brass in the resizing die and ensure it is properly aligned.
  3. Operate the press smoothly to resize the neck of the cartridge brass.
  4. After resizing, check the neck runout for accuracy.
  5. Store bushings in a dry, clean place when not in use to prevent corrosion.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations for metal waste.
- Do not throw bushings in regular household waste. Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of SAC Neck Sizing Bushings, please refer to the product's EUbased contact point for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and quality.
