

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .315"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .315"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of our product. Please read this guide carefully before using the bushings.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the bushings for any signs of damage or wear before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for any recalls or safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the SAC Neck Sizing Bushings only with compatible neck sizing dies.
- Avoid using the bushings with excessive force, as this may cause damage.
- Ensure that the bushings are clean and free from debris before installation.
- Do not modify or alter the bushings in any way.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, while using the bushings.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the neck sizing die, a reloading press, and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and welllit.

2. Installation:

- Remove the die from the reloading press.
- Clean the neck sizing die and the bushing to remove any dust or debris.
- Insert the SAC Neck Sizing Bushing into the neck sizing die, ensuring it fits snugly.
- Reinstall the die into the reloading press, following the manufacturer's instructions.

3. Usage:

- Place the brass cartridge into the die and lower the press handle slowly.
- Apply consistent pressure until the resizing process is complete.
- Inspect the resized brass for consistency and quality.
- Remove the resized cartridge and repeat the process as necessary.

4. PostUse Care:

- After use, clean the bushings thoroughly to remove any brass residue.
- Store the bushings in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw the bushings in regular household waste; check for recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities. Enjoy your reloading experience with SAC Neck Sizing Bushings!
