

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .327"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .327"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109941
- Mfr. No.: SAC-327NB
- Diameter (in): .327
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC Neck Sizing Bushings Safety Instruction Guide

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the neck sizing bushings.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the neck sizing bushings for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and pets to prevent accidents.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the neck sizing bushings are compatible with your resizing die before use.
- Use proper personal protective equipment (PPE), such as safety glasses and gloves, to avoid injuries during handling.
- Avoid applying excessive force when using the bushings to prevent damage to the product and ensure safe operation.
- Do not modify or alter the bushings in any way, as this may lead to unsafe conditions.
- Always follow the resizing die manufacturer's instructions in conjunction with this product.

## Instructions for Installation and Usage

1. **Compatibility Check:** Ensure that the SAC Neck Sizing Bushing .327" is compatible with your resizing die brands, including RCBS, Whidden, Harrells, Redding, Hornady, and LE Wilson.
2. **Installation:**
  - Remove the resizing die from your reloading press.
  - Insert the neck sizing bushing into the die according to the manufacturer's instructions.
  - Ensure the bushing is seated correctly and securely.
3. **Usage:**
  - Adjust your reloading press to the appropriate settings for neck sizing.
  - Place the cartridge brass into the die and apply smooth, even pressure to resize.
  - Inspect the resized brass for proper fit and dimensions.
4. **PostUse Care:**
  - Clean the neck sizing bushings after each use to maintain their performance.
  - Store the bushings in a safe, dry place to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn neck sizing bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's official website or contact their customer support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SAC Neck Sizing Bushings!
