

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .328"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .328"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109942
- Mfr. No.: SAC-328NB
- Diameter (in): .328
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle the bushings with care to avoid injury or damage.
- Keep the bushings out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the neck sizing bushings only with compatible resizing dies as specified by the manufacturer.
- Do not exceed the recommended dimensions and specifications when using the bushings.
- Ensure that the resizing die is securely attached to the reloading press before use.
- Avoid using excessive force when resizing brass to prevent damage to the bushings or the brass.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when working with reloading equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the resizing die, press, and brass cases.
- Ensure that your workspace is clean and welllit.

### 2. Installation:

- Remove the resizing die from its packaging.
- Insert the SAC neck sizing bushing into the resizing die, ensuring it fits securely.
- Attach the resizing die to the reloading press according to the manufacturer's instructions.

### 3. Usage:

- Place the brass case into the resizing die.
- Lower the press handle slowly to resize the neck of the brass.
- Inspect the resized brass for any signs of damage or improper sizing.
- Repeat the process as necessary for additional cases.

### 4. PostUse Care:

- Clean the bushings after each use to remove any debris or residue.
- Store the bushings in a safe and dry location, away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste.
- Check for any recycling options available in your area for metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or contact the appropriate customer support channels.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety!
